The Problem

With a multitude of artifacts to store, the Niagara Falls History Museum needed a solution for quick accessibility to all their artifacts.

The Solution

Spacefile worked alongside the architects to develop a space saving solution while maintaining easy access to all of the Niagara Falls History Museum's Artifacts.

Niagara Falls Museum

Contact Spacefile for a customized high density storage solution today.

ABOUT SPACEFILE:

Spacefile International Corp. is a leading North American manufacturer of High Density Storage Solutions. For over 40 years, we have offered storage solutions to a wide range of markets including commercial, health care, government, education, institutional, retail and many other custom applications. As Spacefile continues to grow, so do our product offerings. Contact Spacefile to maximize your storage capacity and utilize space more efficiently.

WHY SPACEFILE:

Spacefile offers a completely finished solution for all your storage needs. From consultation to the installation, the Spacefile team is all you need.

Our expert design team is available to work closely with you to develop a system for your space and needs. Our design software can provide you with accurate high definition 2D and 3D rendering capabilities and the exact number of storage inches. Our pricing is presented in a simple comprehensive format with delivery and installation included.

NOT CONVINCED?
