STORING
Art

The Problem

With thousands of pieces on hand, Guelph Museum looked for an efficient way to store many works of art.

The Solution

Spacefile developed a custom solution to effectively store a large quantity of art on site. Readily accessible, each mobile carriage allowed quick access for museum curators.

Guelph Museum

Contact Spacefile for a customized high density storage solution today.

ABOUT SPACEFILE:

Spacefile International Corp. is a leading North American manufacturer of High Density Storage Solutions. For over 40 years, we have offered storage solutions to a wide range of markets including commercial, health care, government, education, institutional, retail and many other custom applications. As Spacefile continues to grow, so do our product offerings. Contact Spacefile to maximize your storage capacity and utilize space more efficiently.

WHY SPACEFILE:

Spacefile offers a completely finished solution for all your storage needs. From consultation to the installation, the Spacefile team is all you need.

Our expert design team is available to work closely with you to develop a system for your space and needs. Our design software can provide you with accurate high definition 2D and 3D rendering capabilities and the exact number of storage inches. Our pricing is presented in a simple comprehensive format with delivery and installation included.

NOT CONVINCED?
