

spacefile®

LT SHELVING OPTIONS

Spacefile offers a wide variety of shelving options for our LT shelving.

Shelves are available in standard duty (22 gauge), and heavy duty (18 gauge).

Also available in Stainless Steel.

Spacefile's slotted steel shelving is designed to accommodate our adjustable dividers. Slots are placed on 2" center increments.

Perforated shelving is the best option for applications that require airflow.

LT SHELVING OPTIONS

Spacefile offers a wide variety of shelving options for our LT shelving.

PARTICLE BOARD & FSC CERTIFIED WOOD SHELVING

Spacefile's particle board shelving is 3/4" thick to minimize warping and maximize the storage capacity. Particle board shelving is a cost effective option.

Spacefile offers sustainable FSC certified wood shelving upon request.
