STORING
Files

"We needed a storage system we could grow into. Spacefile offered the ideal solution and the service was incredible."

Ashley Pascoe,
Executive Assistant,
Realty Tax Consulting,
Altus Group Limited

The Problem

Altus Group, needed to manage substantially more files within a fixed footprint. Altus Group needed a storage system flexible enough to adapt with ongoing growth by increasing filing capacity while saving floor space.

The Solution

Spacefile recommended two different systems to satisfy the needs of the Altus Group. These easily accessible systems maximize available storage space while increasing filing efficiency Our all-in-one solution includes high density and end tab filing with color-coded files, plastic glides and label holders to enhance performance and attractiveness.

Altus Group

Contact Spacefile for a customized high density storage solution today.

About Spacefile:

Spacefile International Corp. is a leading North American manufacturer of High Density Storage Solutions. For over 40 years, we have offered storage solutions to a wide range of markets including commercial, health care, government, education, institutional, retail and many other custom applications. As Spacefile continues to grow, so do our product offerings. Contact Spacefile to maximize your storage capacity and utilize space more efficiently.

Why Spacefile:

Spacefile offers a completely finished solution for all your storage needs. From consultation to the installation, the Spacefile team is all you need.

Our expert design team is available to work closely with you to develop a system for your space and needs. Our design software can provide you with accurate high definition 2D and 3D rendering capabilities and the exact number of storage inches. Our pricing is presented in a simple comprehensive format with delivery and installation included.
